ICFST 2023

The 7th International Conference on Frontiers of Sensors Technologies

Xi'an, China | November 17-19, 2023

The 7th International Conference on Frontiers of Sensors Technologies (ICFST 2023) will be held in the historic and vibrant city of Xi'an, China during November 17-19, 2023.

ICFST 2023 will provide a platform for researchers, engineers, and industry professionals from around the world to share their latest research findings, innovations, and ideas in the field of Sensors Technologies. The conference will feature keynote speeches, invited speeches, technical presentations and poster sessions on a wide range of topics related to sensors technology.

Conference Proceedings

Submitted papers will be peer reviewed by conference committees, and accepted papers after proper registration and presentation will be published in the Conference Proceedings, which will be indexed by **Ei Compendex**, **Scopus**, etc.

Submission Deadline: September 8, 2023
Notification Deadline: October 10, 2023
Registration Deadline: October 25, 2023

Call for Papers

- Sensor Phenomenology, Modeling and Evaluation
- Sensor Materials, Fabrication and Packaging
- Chemical, Electrochemical and Gas Sensors
- Microfluidics and Biosensors
- Optical Sensors
- Physical Sensors: Temperature, Mechanical, Magnetic and Others
- Acoustic and Ultrasonic Sensors
- Sensor Networks and IOT
- Emerging Sensor Technologies and Applications
- Sensor Systems: Signals, Processing and Interfaces
- Actuators, Energy Harvesting and Powering Sensors
- Sensor Data Processing
- Wearable Sensors and Systems
- Sensors in Industrial Practices

Submission Guideline

>>>Submission Requirements:

1. Language: English is the official language of the conference. The paper should be written and presented only in English.
2. Publication & Presentation: Full paper (no less than 8 pages) submission is required if you consider publishing your paper. Each paper should have at least 8 full pages. When paper exceeds 10 printed pages, including all figures, tables, and references, extra page will be charged.
3. Presentation only: Abstract submission (200-400words) is acceptable for presentation only at ICFST 2023.

>>>Submission Methods:

1. Template Download. Please prepare your paper according to the template.
2. Submit your full paper or abstract directly to Online Submission System: an account is needed, if you don't have, please register first.
3. The conference secretary will assign a Paper ID to the submission from icfst@young.ac.cn within three working days. To ensure receipt of all correspondence from the conference, please add icfst@young.ac.cn as acceptable emails to receive.
